St Johns Plumstead

FRIDAY

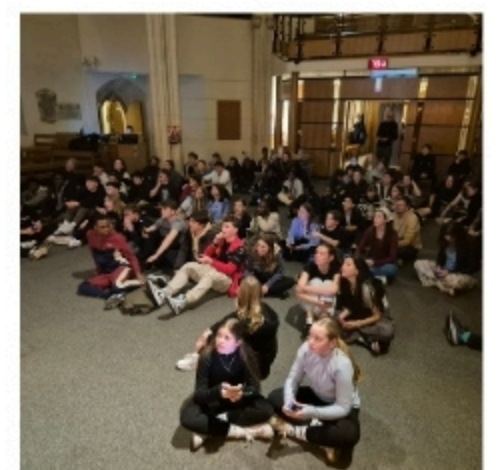

Tramshed Youth Club
3:30-5:30
Tramshed After Hours
6:30-8:00
Tramshed Woolwich

Growth and New Life

FOR LARGE PARTS of our lives we can find ourselves caught on something of a treadmill. Moving along, pretty sure we are doing the right thing, we are in the right place, but life just becomes all a bit samey and predictable.

At Greenwich Youth For Christ, this has sometimes felt like the case. We have a sense we are in the right places, supporting, encouraging and helping vulnerable young people to overcome various challenges in their lives. Partnering with local churches to provide open access groups to engage with young people in their communities. Supporting local schools to deliver assemblies and run lunch clubs. However at times it can feel as good as this all is, could there be more.

Well this last term has seen a shift, with more opportunities to share the Good News of Jesus by running 2 Youth Alpha Courses, one in Mary Magdalene school and one on a Friday night after the Tramshed youth drop in. We have also seen young people engaging with the additional programmes partner churches have been running throughout the week. Finally just under 100 young people came together for the Easter Gathering, hearing the story of the resurrection and testimony about the impact Jesus has made in the lives of two local youth workers.

We are excited about this growth and look forward to how we follow up the Youth Alpha groups and all that God has in store.
